

Love that Smile

CAN'T AFFORD TO HAVE THOSE PERFECT TEETH YOU'VE ALWAYS DREAMED OF – THINK AGAIN ...

Restored Beauty Getaways, world leaders in medical tourism are experiencing an increasing number of clients opting to have cosmetic plastic surgery overseas plus have a surge in clients for dentistry and eyesight surgery.

Having the confidence to smile without exposing gaps, mis-shaped or discoloured teeth is now affordable. The Dental Clinics that Restored Beauty Getaways are partnered with, are geared up to make sure you return home with healthy fabulous looking teeth. No longer do implants mean waiting for several months between appointments. Their partnered clinics are some of the most specialised in the world, offering the revolutionary 'Nobel' process with 'immediate loading' of Dental Implants. Whether you require a full mouth of implants or a single

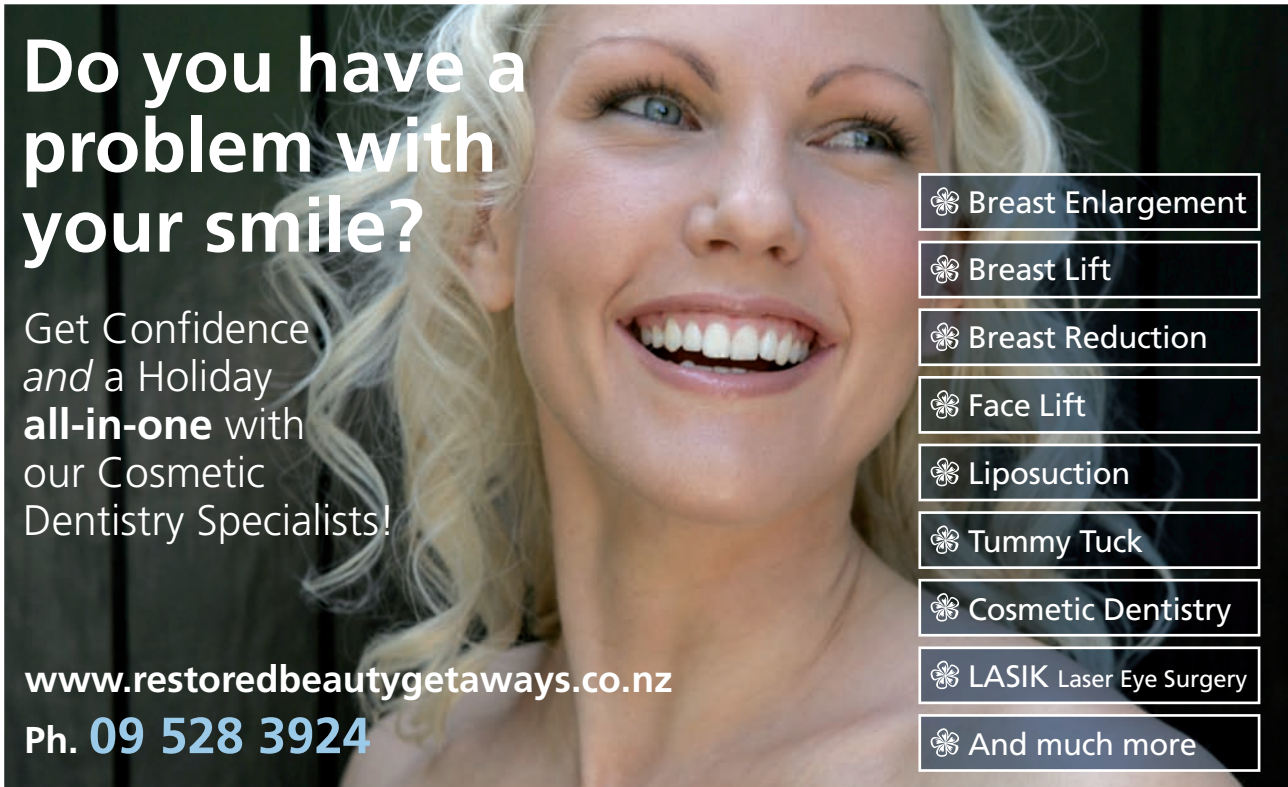

implant, it is possible in 7-10 days. Combine that with an Exotic Holiday and who says dentists are not fun!

THERE IS NO REASON TO PUT UP WITH CONTACTS OR GLASSES ANYMORE.

With LASIK eye surgery, you can have both eyes fixed at less than the cost of having the procedure performed on one eye in NZ. But what if you are over 50 years old and have accepted the gradual decline of your eyesight? THROW AWAY THOSE GLASSES! Jo from Restored Beauty Getaways has ! She has had the innovative highly specialized procedure: 'SuperSight Surgery' in which the failing natural lenses in her eyes were replaced with soft, well flexible or multi-focal intra-ocular lenses, allowing her to regain her 'younger sight'. ●

To find out more about these treatments and other procedures contact the friendly and professional team at Restored Beauty Getaways in Mission Bay where they can tailor a package that will help you in any transformation you seek.
